Scottsburg FFA Members Celebrate 2013 National FFA Week, February 16th-23rd

Scottsburg FFA will celebrate National FFA Week on February 16th-23rd, 2013. This year's theme is Grow, and it celebrates more than 80 years of FFA traditions while eagerly anticipating the organization's future. More than 550,000 members nationwide will participate in National FFA Week activities at local, state and national levels. These members come from rural, suburban and urban environments and are interested in the diversity of careers within agriculture.

FFA members are the innovators and leaders of tomorrow. Through agricultural education and hands-on learning, they are preparing for the more than 300 career opportunities in the food, fiber and natural resources industry. National FFA Week is sponsored by Tractor Supply Company as a special project of the National FFA Foundation and annually encompasses February 22, George Washington's birthday.

Scottsburg FFA members will celebrate National FFA Week by participating in the following activities:

- Blue and Gold FFA Spirit Day
- Camouflage/Plaid Day
- Teacher Appreciation Day
- \$1 Hat Day with benefits going to the Scott County Clearinghouse
- Chili Cook-off
- Drive Your Tractor To School Day
- Favorite Tractor T-Shirt Day

Archery Club Advances

The SHS Archery Club has qualified to go to the NASP Indiana State Tournament on March 1. We want to congratulate our archers on their success!

SHS Vocational Education

Child Development Class - Groundhog Day. Students made groundhog treats for children. They could do this activity with their future children or in a child related career. These types of activities build relationships between child and adult.

Education Professions - Students learned how to use the iPad in the classroom, learning the basics, education apps with students, using reflections, and creating "how to" presentations of various apps.

Advanced Nutrition - Students were learning to use herbs and spices to add flavor and cut sugar and salt from meals. (Bruschetta)

Interpersonal Relationships - Topics of study - Ethics, character, and values - students created a fictional society (complete with costumes) and wrote a code of conduct for that society
