## Blood Drive at SHS

The SHS Key Club and the American Red Cross held a very successful blood drive last Friday. 96 students and staff registered to donate and we collected a total of 76 units. Not only did these donors give the gift of life, but this total will qualify SHS for at least \$1,000 in scholarship money from the Red Cross.

A committee of counselors and administrators will select the scholarship recipients from among the senior donors and volunteers. Thanks to all students and staff who participated in the drive.

## SHS Transition Fair

On Friday, March 15, Scottsburg High School will be hosting the 5th annual Scott County Transition Fair from 11:30-2:30 pm in McClain Hall.

Representatives from various services and employment agencies, along with college representatives, will be there to discuss possible benefits and services available to students with disabilities and their families.

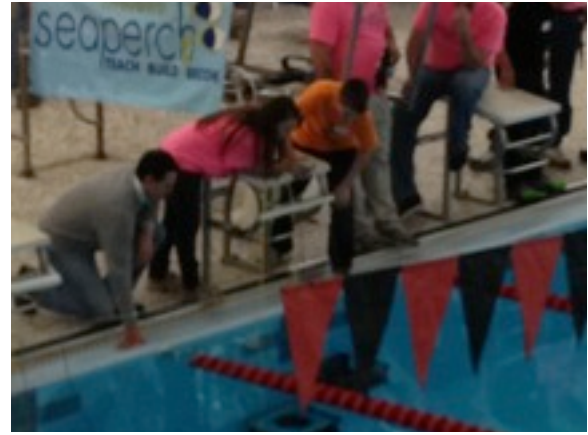

We appreciate our community partners and their willingness to have this event for our kids and their families.

## Band of Warriors Shine!

Members of the Band of Warriors participated in the state solo and ensemble contest on February 23rd in Indianapolis. We had six members achieve gold at state for their performances. We are proud of our talented musicians and their dedication to the Band of Warriors! Congrats to Adam Comer, Colton Fields, Mickey Hall, Taylor Robbins, Denali Woodruff & Abigail Walsh

# Sea Perch Competition

Scottsburg High School Sea Perch Team consisting of Alex Sexton, Jon Crawford, and Rachel Waymire, and team sponsors Rorie Lizenby and Brent Strong attended the regional competition held at Southridge High School in Huntingburg, IN, on March 9, 2013. Students constructed the Sea perch robots in less than 1 week from kits and tested at our local YMCA to practice for the competition. The teams were allowed to make modifications to robots for speed and picking up objects underwater, as long as the budget of each assembled robot remained under twenty dollars.

Teams were paired as follows with Scottsburg I consisting of Crawford and Waymire, and Scottsburg II consisting of Sexton. The teams competed in two main competitions where an obstacle course was set up consisting of 5 rings the submerged robots had to maneuver through in a timed competition. Finally, the last competition consisted of a deep water transfer, where the robots captured 12 suspended rings and placed them in a submerged basket.

Team I's first trial went initially rocky due to wiring issues with a new motor placed on their Seaperch robot and with no way to Test new motor, the team was left with quick thinking on the fly, but thanks to a quick fix were able to compete for a second trial through their first heat. Once completed, Team 1 was ready to roll again!!! Once back in the water for the second trial through their initial competition, the team noticed the robot would not submerge. So, once again with a chance of not completing this first heat, Team I thought outside the box to decrease buoyancy and removed just the right amount of floats attached to robots. Therefore under pressure and still under the 5 minute clock time penalty was able to complete the heat, and pulled through with a super time of 4:22!

For Scottsburg team II, Sexton was able to complete the initial trial heat with relatively no problems until hitting the last loop in the hurdle when he snagged a tether line on a loop, but with Crawford's help was able to set free in a record time of 2:19!

The final heat consisted of picking up 12 rings 6 on 6 and placing them in 2 baskets. The baskets were layered 1 on top of the other and students released them in the basket.

Scottsburg team I, were able to do very well based on the design of their robot while Team 2 made a very valiant effort but had to overcome a design obstacle.

Our teams placed very respectively in a first time competition as students were commended by all judges on their ability to think critically on the fly under pressure and their sportsmanship and teamwork abilities. Scottsburg I placed 8<sup>th</sup>/ 12<sup>th</sup> in the 1<sup>st</sup> trial obstacle course beating out all Prosser teams and Forrest Park High School. Scottsburg II placed 6<sup>th</sup> / 12 beating out Scottsburg Team 1, all Forrest Park teams, and all Prosser Technology teams. Finally, the last heat of competition, the deep water transfer, Scottsburg Team I placed 5<sup>th</sup>/ 12 beating out Springs Valley High School, all Prosser Teams, Southridge High School, and Forrest Park High School. Finally Scottsburg II placed 9<sup>th</sup>/12 teams beating out Prosser, Southridge, and Forrest Park High School. At the end of the competition both Scottsburg teams were commended on their outstanding performance on their first time competition at this regional defeating many of the teams at the schools who had daily use of practice facilities for testing earlier in the previous months!!! Our students represented yet another great effort by demonstrating Warrior pride in and out of the classroom!!!

## Indiana High School Bowling Names Academic All-State Team for Boys and Girls.

Indianapolis, IN - The Indiana High School Bowling Program (IHSB) has named it's 2012-13 Academic All-State Teams for Boys and Girls.

Criteria for nominees: Seniors that have competed in at least one varsity game, a minimum GPA of 3.5 on a 4.0 scale or it's equivalent and a minimum SAT score of 1500 or an ACT score of 22.

SHS is very proud of Taylor Mullins for being named a member of the Academic All-State team.

Taylor wrote about being a part of SHS Bowling:

"The Scottsburg High School Bowling Team is about students participating in the fun sport of bowling while allowing them to learn teamwork and cooperation. This is the first year that Scottsburg High has had a bowling team and I had a blast being able to be a part of it. It was a great way to end my last year at Scottsburg High School."

## This Week at SHS

- Fri: Noon - Transition Fair
- Sat: 6:00 am Ag Day Breakfast & Toy Show  
Noon - Winter Percussion @ Etown, KY
- Tue: 7:00 Winter Sports Awards Program
- Thu: 6:30 Senior Academic Program
- Fri: Senior Video - Picture Deadline

## SHS SPRING BREAK March 25-29th

### FFA District XI Leadership Results

- **Ag & Farm Business Management Demonstration:** Isaiah Bromm and Kyle Richey- *1st Place*
- **Ag Mechanics Demonstration:** Anna Hall and Kevin Hardin
- **Food Science Demonstration:** Ashley Reynolds and Saydie Bowyer
- **Horticulture Demonstration:** Nick Robbins and Jesse Kallenbach
- **Creed Speaking:** Helen Hutchison
- **Essay:** Samantha Brown- *1st Place*
- **Exhibit:** Kevin Jentzen, Kevin Hardin and Heidi Burnett- *3rd Place*
- **Extemporaneous Public Speaking:** Ethan McNeely- *3rd Place*
- **Job Interview:** Caitlin Crumes- *3rd Place*
- **Leadership Ambassador:** Ethan McNeely- *1st Place*
- **Freshman Prepared Public Speaking:** Charlie Robinson
- **Quiz Bowl:** Levi Elliott, Kelsie Eldridge, Logan Amburgey and Bailey West
- **Multi-media Scrapbook:** Bailey West- *2nd Place*
- **Talent:** Olivia Thompson, Kailen Kendall and Sarah Griffin

### Proficiencies

- **Forage Production:** Ethan McNeely- *1st Place*
- **Poultry Production:** Caitlin Crumes- *1st Place*
- **Turf Grass Management:** Kirk Hardin- *1st Place*

### Lunch Menu

Mon: Chicken Nuggets  
Carrots  
Chef Salad

Tue: Submarine Sandwich  
Chips & Salsa  
Chef Salad

Wed: Pizza  
Broccoli  
Chef Salad

Thu: Mac & Cheese  
Peas  
Chef Salad

Fri: Sloppy Joe  
California Veggies  
Chef Salad

\*SHS has four options. The menu provided is from the Diner menu and the Marketplace. There are two more options as well in our International line and the Grill
