Herb Gardens

Have you ever considered growing herbs? Mrs. Cindy Waters, one of our SHS cooks who also operates her own greenhouse, visited the Advanced Nutrition and Wellness Class to explain the process of growing herbs and how to use them to season foods. The herbs included thyme, rosemary, garlic, dill, comfrey, chives, and spearmint. Mrs. Waters also taught them about uses for herbs beyond just cooking, such as making tea or using them for medicinal purposes.

Following this lesson the class prepared a cream cheese spread adding either herbs or spices for flavor. The students will also prepare a salt substitute using some of the fresh herbs.

According to Mrs. Bramlette, "This presentation opens doors to students who have never seen these plants and have no experience with herbs; where they come from and how they are used. Even with all our technology, the kids still really enjoy a hands-on activity."

SHS Remembers

September 11th

SHS Student Council organized a remembrance ceremony on the morning of September 11th, 2013. It was a time for students to reflect and remember the families and our nation after the terrible attacks of 9-11.

SHS Alumnus Bill Simpson spoke with students about the event and the impact on our nation. He then led a group of SHS students and alumni that are current members of the Indiana National Guard in presenting the colors.

CEASe Invitation for our Parents

CEASe of Scott County (Coalition to Eliminate the Abuse of Substances) would like to invite all of Scott County and surrounding counties to their next Community Forum:

“Make Good Decisions Your Goal” with Norm and Dawn Finbloom on Tuesday, September 24, 6 p.m., at the First Southern Baptist Church, 899 W. McClain Avenue in Scottsburg, Indiana.

The entire community is welcome to attend this event which will also have a FREE DINNER. Seating is limited for this event, so please submit your RSVP to lcroasdell@me.com by September 21.

Lunch Account Notice

Food Services has begun a weekly review of lunch accounts with negative balances. Starting at the end of September, students who have a negative balance will receive an alternative lunch, which will be a cheese sandwich and milk. Please take care of any negative balances as soon as possible.

Guidance Corner

Guidance has continued to visit classrooms over the past week, talking to juniors and seniors. The Counseling team was introduced and the students were given Learn More Indiana magazines.

Seniors were also given a brochure outlining the possibilities and opportunities available to them over the course of the year. It included SAT/ACT testing dates and helpful websites.

Guidance would like to thank the generous SHS English teachers for allowing them a few minutes of class time to make those presentations.

Parent-Teacher Conferences

Mark your calendars as our PTC are set for September 26th from 3:30 - 6:30 pm
