Prosser Field Trip

Students who expressed an intent to apply to Prosser for classes next school year attended an informational meeting with Mr. Dattillo, Prosser representative, and toured the Prosser campus.

Students were able to talk to several Prosser teachers and students, as well as see several Prosser classes. Sophomore and Junior students who are interested in learning more about Prosser or want to apply to attend next school year are encouraged to see their School Counselor soon.

Applications must be submitted to your Guidance Counselor by February 22nd.

Here is a link for Prosser. Go check out the opportunities for our kids at Prosser!

GIVE US THE NEWS!

Please keep us informed of any changes to your phone numbers, email or home address. It is important for the safety of your child that we have good contact information for all parents and guardians.

We also use this information to keep you informed of grades, upcoming events and school delays or closings. Updating our files is as simple as a phone call to the office at 752-8927, sending a note with your student, or logging into Harmony and clicking on "Demographics."

The seniors are giving their "Life in a Bag" speeches to start off the semester. This is a good way for the students to get to know one another and to conquer their fear of speaking in front of others.

They have done a great job!!

SHS is a leader in digital learning, but along with that, we are transforming our curriculum. We have added more and more PBL in our HSTW classes. New Tech Courses are wall to wall PBL, but our HSTW staff have added more PBL elements to our course offerings. Here is a blog that you can read and learn a little more about PBL.

Report Cards

We have fixed our issues with our grade book system. SHS issued Report Cards this week.

We would like to thank our parents for their patience!

21st Century Scholars!

The 21st Century Scholars representative helped students process their Scholar affirmation forms online, as well as reviewed general financial aid information.

Students were also given the parameters and expectations for 21st Century Scholar assistance for college attendance once they graduate from high school.

Meeting for senior 21st Century Scholars.
