SHS Participates in Celebrate My Drive

First, the not-so-good news: More teens die from car crashes than any other cause. And the first year of driving is the most dangerous.

The good news: There's something we all can do about it. And it involves a celebration!

That's what Celebrate My Drive is about – celebrating this big, new life of freedom that comes with a driver's license. Part of that life means making smart choices behind the wheel, which is why we're spreading the message of 2N2® – 2 eyes on the road, 2 hands on the wheel. It's a simple habit that can reduce distracted driving and help new drivers build confidence on the road.

This party even gives you and your high school a chance at some pretty sweet prizes - like a \$100,000 or \$25,000 Grant for your high school, and maybe even one of two Grand Prize concerts featuring GRAMMY® Nominated The Band Perry.

Last year, thousands of high schools in communities all over North America joined the celebration, with more than six million safe driving commitments made. And you're invited to this year's party.

When teens drive 2N2®, it's a cause to
CELEBRATE

WHAT? Celebrate My Drive® encourages teens to make positive choices as they begin driving, like **2N2** – 2 eyes on the road, 2 hands on the wheel.

WHY? More teens die from car crashes than any other cause – and the first year is the most dangerous.
