New Tech Staff Honored

SHS New Tech was honored to participate in the Fall Leadership Conference. They presented the great things that are happening at Scottsburg New Tech and at Scottsburg High School.

Ondra Couch, Susan Jerrell and Jacob Johanningsmeier represented our school as they shared the concept of a school within a school. Thanks to them as they showcased what makes our New Tech such a special place at SHS!

Guidance News

This week in Advisory Sophomores through Seniors had an opportunity to check out their transcripts. The students were given a checklist to see how they are doing at meeting graduation requirements. Freshmen do not yet have a high school transcript so they were given a copy of the

diploma types that are available to them. This was a great opportunity for students to take responsibility for their education and learn self advocacy skills. Guidance thanks all of the teachers who participated and promoted this activity.
