SHS Midterm Grades

It is hard to believe that Fall Break is upon us. Today we will be emailing and posting grades for midterm. A student's grade is a snapshot of where your student is right now. Grades are figured on a continuous semester average that is 80% of the final grade. The remaining twenty percent is based on the final exam or project.

Eligibility is based upon the midterm and semester grades for athletics. SHS prides itself on the standards that we uphold for our

student athletes, requiring more than the state minimum for participation.

Harmony access is available through a link on the SHS and SCSD2 websites as well as links to the athletic and student handbooks. We encourage parents to track current progress on Harmony and Echo for their students.

Band of Warriors win Gold!

The Band of Warriors won Gold at the Evansville regional last Saturday. They have now qualified for the Semi-state competition on October 27th.

Good luck to SHS's talented musicians!

SHS Archery Club

Our archery program that began last year has seen an increase in participation for the 2012-13 school year. Our numbers have grown to over thirty for this year. Archery began practice this fall training at the Lake Iola shelter house.

Archery Club practices have now moved to Tuesday & Fridays in McClain Hall. Our archers are excited about the upcoming season.

NT Community Service Day

SHS students spent yesterday doing community service by helping at Beechwood Park, the Scott County Courthouse and the Scottsburg Fire Department.

The majority of the students were from our New Tech program, but there were High Schools That Work students that also volunteered to help. It was a beautiful day!
