Students Honored

Congratulations to the following students who have been recognized for outstanding achievement or character for the month of September:

Athletes of the Month:

Chris Davis & Ashley Padgett

Students of the Month:

Freshman - Chris Waters

Sophomore - Courtney Bowman

Junior - Jacob Thompson

Senior - Pamela Shell

The students listed below deserve Honorable Mention and were also recognized by the staff for their work ethic, character or academic success:

Freshman Shelby Jenkins ; Sophomores Kolby Mount, Christein Lawson, Kyle Harrison and Zach Leuders; Junior Josh Dodge; and Seniors Nicole Walker, Brad Clem, Lindsay Richie and Chelsey Kimrey.

We are proud of our nominated students and encourage all members of our student body to excel each day.

TOTS & TEENS

Yesterday (Oct. 4th) was the first official day of the Tots and Teens program at the Imagination Station. Juniors and Seniors in the Education Professions course at SHS are teaching a PreK level program at the Imagination Station on most Thursdays through December (excluding breaks and Oct. 11th). The program is from 11:00-12:00. The students are planning and preparing developmentally appropriate lessons/activities for the program AND having a lot of fun with the kids. Imagination Station entrance fee is \$5 for two hours of play time. There is not any additional charge for this program.

Please see the attached pictures.

Students Participating in Class & Activity this week

- 1) Casy McIntosh - Story Time
- 2) Jay Nichols - Elmo and Paper Bag Puppets
- 3) Brittany Strobl - Music and Movement
- 4) Tyler Tscheulin - Batman and Slime
- 5) Brittney Walsh - Duck Duck Goose and Hot Potato

SHS Robotics

The SHS Robotics Club is pictured with a robot created to test solar panels and hydrogen fuel cells. This was built in the SHS Engineering

Courses.

They also compete in regional and state competitions. The competition requires the club to create a robot from the drawing board

and build it. This robot then is required to accomplish certain tasks. Points are awarded based upon design and how well the task is accomplished.

This is one example of how SHS is trying to provide many opportunities for our students.

**Junior Class Yard Sale is

Blood Pressure Checks

SHS EMT students are getting real world experience going on drives with Scott County EMS & spending time at the Scott Memorial ER.

There is also a more subdued way for them to get experience here at SHS. Students have volunteered time at their lunch to do blood pressure checks for staff.

We are excited that about the EMT program and the ability of our students to get college credit and get an EMT license after graduation!
