## SCSD2 Visited

SMS & SHS have hosted over 15 schools during the past 18 months. This past week SHS was visited by HSTW and South Dearborn. They came to see the 21st century skills that SCSD2 is emphasizing in our curriculum. The tours included trips to SMS to see how we use a tablet device, to SHS for visits in the blended classrooms at HSTW, and the project based learning classes at New Tech. We are excited about the work that our teachers and staff are doing. Thank you to the community and our parents for the support you give us everyday!
