## Scottsburg High School Art Show @ New Tech

You are cordially invited to the Annual Scottsburg New Tech Art Show on Wednesday, Dec. 18 from 5-7 p.m. in the New Tech Building on the Scottsburg High School Campus.

Students from Mrs. Susan Jerrell's photography classes, Miss Melissa Terry's art classes, and Mr. Darrell Morris's High School's That Work art classes will exhibit work from first semester.

There will also be a silent auction of various pieces of art. All proceeds from the auction will be given to We Care. Last year the auction brought in over \$600 for this local cause. Auction results will be revealed at 6:45 p.m.

Plan to come out now to show your support for local students as well as for a worthy cause

## Important Yearbook News

Senior yearbook deadlines approach!

Next Friday, Dec. 20 is the deadline for all senior pictures for the yearbook. A digital file is preferred and can be emailed to Mrs. Jerrell at [sjerrell@scsd2.k12.in.us](mailto:sjerrell@scsd2.k12.in.us) or brought in on a disk or flash drive. Photo prints are also accepted, however, due to scanning some quality may be lost. Photos should be vertical and be a head and shoulder shot. If seniors turn in other types of photos they will be cropped for the yearbook.

Dec. 20 is also the final deadline for senior ads and the senior activity form. Information was mailed home to all senior parents in October. If you have questions please email or call Mrs. Jerrell at 752-8927.

## HANDBOOK UPDATE

**The SCSD2 School Board voted to include e-cigarettes in the handbook as an addition to our tobacco policy. This update takes effect immediately.**

# Make Up Information

The snow days we have had, and any future full day closures, will need to be made up so that we reach our 180 days of school. Therefore, we will be in session on the following days:

February 17, 2014 Presidents Day  
April 18, 2014 Good Friday  
June 2, 2014 Last Student Day

We will continue to add days at the end of the year for any additional dates that school is canceled

The Girls and Boys Basketball makeup date at Charlestown will be Tuesday December 17th.

Girls Varsity will tip off at approximately 6:30 in the downstairs gym.  
Boys Varsity will tip off at approximately 8 pm in the downstairs gym.

We are going to make-up the varsity wrestling meet vs Seymour on Thursday Dec 19 at Meyer Gym. Weigh in at 5:30, wrestling to start at 6:00.

## Guidance News

PSAT results have arrived and will be distributed in the next few days to all Sophomores and Juniors who took the test.

The end of the term is quickly approaching. Now is a great time to check Harmony/Echo for any outstanding assignments or discrepancies. Also, students enrolled in online courses should be very close to completion. If not, the Holiday break will be a great time to get those online courses caught up.

Due to last week's snow storm, the 8th grade visits have been rescheduled for Tuesday, December 17th and Wednesday, December 18th. The Class of 2018 Orientation and Spaghetti Supper is scheduled for January 7, 2014 from 5:00 p.m. to 7:00 p.m.

# WELDING INSTITUTE

Ivy Tech's Welding Institute is a 40-week program that includes instruction and hands-on lab activities. Classes meet 7.5 hours a day, 4 days per week. The Welding Institute focuses on technology, with math, reading and writing exercises embedded in class projects. After completing the program, you will earn a Technical Certificate in Industrial Technology and be prepared for exams to earn certifications valued by employers. Your credits can also be applied toward an Associate of Applied Science degree.

## NO HOMEWORK

That's right. You won't have any homework in the Institute. All of your assignments will be done in class.

## CERTIFICATIONS

You will be prepared to test for certifications administered by the American Welding Society SENSE, and American Society of Mechanical Engineers (ASME).

## NEW WELDING LAB

Train on state-of-the-art equipment, including robotic welders and welding simulators at the Mid-America Science Park in Scottsburg.

## ONLY 40 WEEKS

The Welding Institute is designed to accelerate you to a career, but you also can apply the college credits you earn in the Institute toward an Ivy Tech degree.

**ENROLL TODAY. CLASSES BEGIN IN JANUARY!**

# START YOUR DEGREE IN SCOTTSBURG.

**THE BAD NEWS.** The average cost of earning a bachelor's degree at a residential university in Indiana is about \$80,000. If you borrowed that amount and paid it back over 10 years, your monthly payment would be about \$670 – plus interest.

**THE GOOD NEWS.** You don't have to borrow a ton of money or suffer a mountain of debt to earn a degree. And now with even more options in Scottsburg, you can start your degree closer to home.
