## SHS Students Give Back!

On Wednesday, around 20 Sunshine/Hi-Y kids helped unload almost 2,000 lbs of food from Gleaners for the SHS food pantry. The picture below is of the unloading process. Between 6th period Wednesday and 5:30 on Thursday, 59 families were served and almost all of the food was distributed. A lot of smiles and "God Bless You's" were seen and heard.

Thursday, our New Tech World Studies students learned the benefits of giving to others at The Clearinghouse, as we wrapped up our project called, "Do You Hear the People Sing?"

SHS Students give back to our community of their time and talents on a regular basis.

## *Warrior Wrestling off to a good start!*

Top records for wrestlers are as follows:

Kolbey Mount: 11-0

Kenny Mills: 9-2

Zack Adams: 7-2

Alex Sexton: 7-4

Chad Burow: 6-4

Although the Robert Fugate Memorial Wrestling Tournament was cancelled due to inclement weather, it has been rescheduled for Friday, January 3, 2014 at 3 PM in McClain Hall. Don't have anything to do on that afternoon? Come out and cheer on the boys of the SHS wrestling team.

# Handbook Reminder:

Students are not allowed to have medication (prescription or non-prescription) in their possession without prior authorization as granted by the school administration.

Prescription medications prescribed for an individual student must be brought to school in the original container bearing the original pharmacy label and turned into the office or nurse.

All over the counter medication must be brought to school in its original container and turned into the office or nurse.

All medications (prescription and non-prescription) must be accompanied by a properly completed and signed medical authorization form so we can administer the medication.

## Guidance News

PSAT results were distributed this week to Sophomores and Juniors who took the test. Parents, please take a few minutes to go over the results with your student and encourage them to check out their personal code that is listed on the score sheet by logging onto [www.collegeboard.org](http://www.collegeboard.org). For current freshmen, sophomores and juniors, registration for the 2014 - 2015 school year is planned to begin in late January. Have a great holiday break and see you next year!

# WELDING INSTITUTE

Ivy Tech's Welding Institute is a 40-week program that includes instruction and hands-on lab activities. Classes meet 7.5 hours a day, 4 days per week. The Welding Institute focuses on technology, with math, reading and writing exercises embedded in class projects. After completing the program, you will earn a Technical Certificate in Industrial Technology and be prepared for exams to earn certifications valued by employers. Your credits can also be applied toward an Associate of Applied Science degree.

## NO HOMEWORK

That's right. You won't have any homework in the Institute. All of your assignments will be done in class.

## CERTIFICATIONS

You will be prepared to test for certifications administered by the American Welding Society SENSE, and American Society of Mechanical Engineers (ASME).

## NEW WELDING LAB

Train on state-of-the-art equipment, including robotic welders and welding simulators at the Mid-America Science Park in Scottsburg.

## ONLY 40 WEEKS

The Welding Institute is designed to accelerate you to a career, but you also can apply the college credits you earn in the Institute toward an Ivy Tech degree.

**ENROLL TODAY. CLASSES BEGIN IN JANUARY!**

# START YOUR DEGREE IN SCOTTSBURG.

**THE BAD NEWS.** The average cost of earning a bachelor's degree at a residential university in Indiana is about \$80,000. If you borrowed that amount and paid it back over 10 years, your monthly payment would be about \$670 – plus interest.

**THE GOOD NEWS.** You don't have to borrow a ton of money or suffer a mountain of debt to earn a degree. And now with even more options in Scottsburg, you can start your degree closer to home.
