## National Library Week

April 15-19 is National Library Week. At the beginning of the month, we began introducing our theme to students using

My Big Campus announcements where we highlighted books from the SCSD2 collections that have been made into movies, and it has been exciting to watch students “yes” their favorite titles. We’ve asked them to discuss the question: “You may have seen the movie, but have you READ the BOOK?”

Starting Monday, English teachers will be distributing tickets to reward positive acts of reading. Students can use the tickets to enter a drawing for a movie-themed basket which will be on display in the MC; the contest ends on April 30th.

On Wednesday, April 17, we will be celebrating “Pop Open a Good Book Day” by distributing “movie theatre butter” POPCORN and loliPOPS from the SHS Media Center. Let’s all celebrate together this week by popping open a great read and sharing our “library” excitement.

## **Walsh elected to State Office**

March 22-24 was the Indiana Key Club District Convention.

It is the time of year when elections are held for state offices: Governor, Secretary-Treasurer, Bulletin-Editor, and Webmaster.

Key Club President Abby Walsh was nominated for the office of Bulletin-Editor. During the convention she had to give speeches and answer questions to show that she was right for the position.

Congratulations to Abby Walsh who had been elected 2013-2014 Indiana District Key Club Bulletin-Editor! As Bulletin-Editor she is in charge of making a magazine and newsletters to send out to Key Clubs all over the state of Indiana.

## **Make Up Games Scheduled**

Yesterday's storms cancelled many events, so here is the schedule for the make ups:

Varsity baseball - April 22 vs Salem

Softball - April 16 vs Charlestown

Girls tennis - April 17 vs Jennings County

## **STATE ATOD Survey**

This Tuesday, April 16, during Advisory, all SHS students will complete our annually-scheduled Alcohol, Tobacco, and Other Drugs Survey (ATOD). This year the survey will be completed online. Each student's information is collected anonymously and compiled in a report that the school receives each fall. The school district uses this information for grant-writing and for identifying student needs in terms of abuse prevention programs.

## **SHS Computer Check**

### Computer Checks for damaged and missing parts

Notice to all students with SHS Macbooks:

During the week of April 22nd, members of the IT department and the administration will be in classrooms to conduct an inventory of all Macbooks.

They will be looking for damage, as well as checking to see that all students have a matching laptop, charger and bag that we have recorded for them. We encourage parents and students to look for damage and/or missing items and report them to the Media Center prior to the week of April 22nd.

**NEW TECH SCHOOL LUNCH**

We had our All-School New Tech Lunch on Thursday, April 11th. Parents brought in their favorite dish to share. Families came, ate lunch with their New Tech student, and met their teachers and friends. It was a great meal and time of fellowship.
