Academic Teams Advance

Congratulations go out to both the SHS Social Studies and Science Academic teams for advancing to the State Finals.

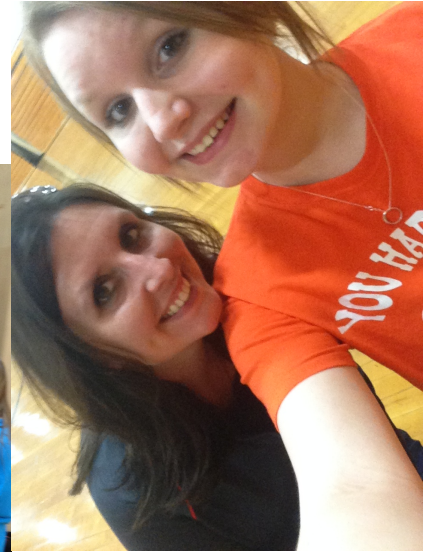

The Social Studies team dominated at the qualifier on Tuesday, scoring 21 points and beating all teams, in all divisions. Team members are Kaleb Mount, Haley Beckwith, Evan Howser, Abigail Walsh and AJ Hunger. They are coached by Shannon Mount. The first year coach is thrilled with their undefeated streak in three contests so far. "I'm really not the leading authority on Social Studies, but I am highly competitive! I kept setting higher and higher study standards and the team kept meeting these expectations. The kids did all the hard work; they deserve all the credit. Hard work and time invested really paid off. I'm so proud."

This makes the second consecutive state qualification for the Science Team, coached by Robert Deirth. The team made the finals after a disputed question and then winning the tie-breaker. Mr. Deirth said, "We knew we had the ability to be at the State Finals again. Although it was not our best performance, we are pleased to be back in the finals and to be able to compete for a second State Championship." The team includes John Cleveland, Nick Shelton, Brian Gullion, Noah Burns and Jacob Cook. The teams head to Purdue for the Academic Super Bowl on May 10, 2014.

The other SHS teams also had strong showings on Tuesday. Fine Arts placed second in our division, as did the Interdisciplinary and English teams. Math placed third. Those teams are as follows;

Math, coached by Brenda Kendall: Caleb Satterly, Caleb Pruitt, Mickey Hall, Logan Jankowsky and Ben Baker; Fine Arts coached by Darrell Morris: Braden Hale, Mickey Hall, Brian Gullion, and Lauren Howser; English, coached by Shawna Slaton: Evan Howser, Lauren Howser, Hyeree Ellis and Kaleb Mount; and Interdisciplinary: Mickey Hall, Kaleb Mount, Evan Howser, Hyeree Ellis and John Cleveland.

We are very proud of all our teams!

World Language Bonding!

The Spanish and French Club Lock-in was Friday, April 18th. There were many exciting activities, including our own version of The Hunger Games and Sharks and Lifeguards with a parachute. Spanish Club President AJ Lincoln brought his arsenal of Nerf guns and swords for a friendly war. Our night ended with Mrs. Mihalik making delicious crepes for everyone, and Mrs. Coverdale tricking the kids into doing a relay/sweeping race. Overall, it was an amazingly fun night and we hope next year we have more people attend.

Upcoming events to remember:

Guidance News

We have only six weeks of school left! School Counselors will start visiting senior classrooms next week to talk about end-of-year priorities. Senior surveys will also be taken at that time.

As we begin planning for next year, we ask for student input about the things that are important to them. Learn More Indiana School Counselor surveys will be given to all high school students over the next few weeks. This information is a valuable tool to help us know what we're doing right, and what we need to do better.

Discounted King's Island tickets are available. The Guidance office has coupons for \$25 off of King's Island tickets. Stop by to pick your's up today.

Ivy Tech will be offering a FREE dual credit Speech class this summer (students will need to purchase textbook). It will be at the Sellersburg campus, starting June 9 - Monday, Wednesday, Friday from 9 a.m. to 11:30 a.m. Students must meet the pre-requisite requirements. Enrollment is limited, so register soon. For more information, stop by the School Counseling office or contact Amanda Felten at afelten@ivytech.edu or (812)248-2618.
