SHS State Champions!

SHS Winter Guard won the Indiana Class A State Title. We announced this on our website and on Facebook, but we thought that it is worth congratulating them again!

The girls are pictured above with their banner that will be placed in the gym as testimony to this achievement! If you know a girl that is in the Winter Guard, make sure to let them know that we appreciate their dedication and hard work.

Teacher In Service

Part of Scott 2's safety and school improvement plans states that we provide professional development. The Indiana State Police came and conducted a training session on the problems of prescription drug abuse in Southern Indiana.

Teachers were presented with facts and then had time for a question and answer session with the trooper. SHS appreciates the time that the ISP took to help us in this valuable training. Last fall, Sheriff McClain conducted similar training at SHS on school safety. SCSD2 values the safety of our kids!

Workin' at the Car Wash...

You know the tune.....so come out and support our favorite musicians, the Band of Warriors!

Congrats to the Band of Warriors

SHS Band of Warriors won a gold medal at last Friday's Concert Band contest!

Pictured above are our Senior Band members!

The Scottsburg High School Band of Warriors will be having a car wash to raise funds this Saturday at John Johns Auto Center in Scottsburg, from 8-4. Tickets are \$5 each and available from any band student this week, or at the car wash on Saturday. They will be having a bake sale too, so come out to support the band!

Did you know? The SHS Band Program is a year round opportunity for students. We offer Marching Band, Winter Band, and Concert Band. With the exception of Floyd Central, no other band in this area does what SHS does in terms of working with and developing those students with musical talents and desires. In addition, with the commitment level required, these students learn how to become young adults through hard work and cooperation.
