## *New Football Coach*

I am thrilled and extremely blessed to be the new head football coach at Scottsburg High School. This is a tremendous opportunity at an exceptional school within a great community. I am excited for the once in a lifetime chance to establish a successful football program at a school with a storied academic and athletic tradition.

I am equally passionate about my future teaching responsibilities in Engineering and Advanced Manufacturing and the ability to positively impact economic growth in Scott County through the development of a skilled workforce.

As the head football coach at Scottsburg High School, my main objective will be to mold young men into exceptional students, husbands, fathers, and value-adding citizens of their community.

I am motivated to meet our student-athletes and invest in their lives as a father-figure, leader, and mentor. Building a successful football program at Scottsburg High School will require a community-wide commitment to our young men that will be rewarded beyond measure. Our players will soon understand that winning is a by-product of doing the right thing all of the time... on and off the field.

I want to personally thank the Scottsburg Community, SCSD2 School Board, and the Administrative Team who have supported the new football program and placed their confidence in my ability to lead the Scottsburg Football Program.

My family and I look forward to becoming part of the Scottsburg Community and "WARRIOR NATION".
