Perfect Attendance

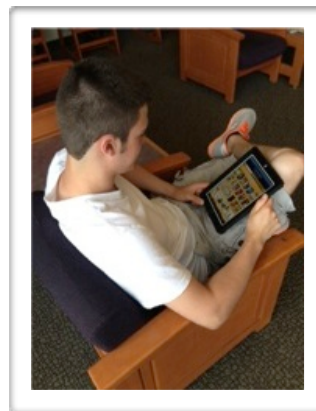

Congratulations to these students in the Class of 2013 who showed the dedication and determination required to be at school each and every day. This will serve them well as they move on to the next phase in their lives. Best of luck to them and all our graduates.

Summer Reading

Since we opened the virtual doors to our Overdrive eBrary in September 2012, SCSD2 students have checked out 9288 titles. We are excited that these reading opportunities will be available to students all Summer. We have over 1,300 titles currently available for checkout.

Research shows that if students read approximately 8 books over the summer they will continue to increase their reading growth and will not experience any reading loss over the summer; some research equates this to attending a structured summer school program. It is our hope that you will partner with us to encourage your child to keep reading throughout the summer. Visit the Gary W. Moenter Media Center Webpage at <http://www.scsd2.k12.in.us/MediaCenter1.aspx> for quick access to Overdrive.

SHS MEDIA CENTER IS OPEN
ALL SUMMER THROUGH OUR

Hello,

I wanted to touch base with our parents to thank you for a great school year. The kids are in the midst of taking their finals. It has been a year of great achievement as our Academic Team won a second straight State title.

Over the next two days we will be collecting their MacBooks. During this time, we check that each student has their computer, bag & charger. We check for damages at that time, and if the computer is damaged, we will take a picture of the device and assess the cost.

If your child has any damages, or doesn't return their macbook and accessories, you will be contacted by mail this summer. The Central Office will issue a bill for the charges.

We look forward to the end of school and a great graduation!

Have a great weekend!

Ric Manns, SHS Principal
