Tech Conference. Twenty teacher took this time to prepare for their classes and learn about curriculum and technology.

Teacher also participated in local professional development that focused on learning and how to utilize tools to challenge kids to new heights.

We hope that everyone had a great summer and welcome back to SHS!

Summer Training

SCSD2 Teachers and staff spent their summer training and planning. Staff participated in planning our new Advisory program which will kick off and that will provide time for grade checks, resume building, club meetings and many more activities.

Teachers then travelled to both the High Schools That Work Conference and New

Last Minute Staff Changes

We are disappointed that two of our new staff members decided that they wanted opportunities elsewhere. We are committed to replace them in a timely manner that will not effect student learning. We wish both staff members well and good luck in the future!

New Media Center

The Gary W. Moenter Media Center was named after the long time SHS librarian who passed away in the Spring of 2012. It was dedicated to honor him for 47 years of service to Scott County.

eBooks @ SHS

SHS Librarian Mrs. Slaton has begun the process of opening and preparing an electronic library. Overdrive, a digital library program, allows students to check out a book for two weeks on their eReader or MacBooks. The book is automatically returned to the Overdrive program after the two weeks unless renewed. We are excited to be the first *eLibrary* in Scott County.

This Week at SHS
