Prosser Students Honored

Two of our students have been nominated to the Prosser School of Technology's Wall of Fame for outstanding achievement. Matthew Stace and Nate Stacy, both from the Auto Collision Repair program, were included in the September list of honorees. Congratulations, gentlemen, for being such excellent representatives of SHS.

SCSD2 Overdrive

In the month of September, **SCSD2 Overdrive** turned one year old. In that year, we have had over 11,800 books checked out, and our collection has grown to over 1,450 titles. We are

proud to offer the eBook collection to our students to supplement our print collection.

We feel that we are on the cutting-edge with the technological opportunities we provide for our students in SCSD2. Interestingly, both ABC and NBC had news stories last weekend on the first "bookless public library" which is located in San Antonio, Texas. If you would like to check out the article on this topic, click here:

SCSD2 OVERDRIVE

Lunch Account Notice

Food Services has begun a weekly review of lunch accounts with negative balances. Starting at the end of September, students who have a negative balance will receive an alternative lunch, which will be a cheese sandwich and milk. Please take care of any negative balances as soon as possible.

2013 College GO! Week

Monday- College GO! Week 2013 Kickoff!

College Logo Day!
Wear your favorite college t-shirt or sweatshirt

Friday
College GO! Week 2013!

Nerdy Career Day!
You could dress like your favorite Physicist, Scientist, Mathematician or Astronaut from the Big Bang Theory

**Coming
Soon:**

**Video
Production
Suite**

Have you been wondering how the space in Media Center Lab #2 will be used now that the computers have been removed? The current plan is to transform that learning space into a quality video production suite.

The production tools will include a professional grade video camera, video lighting, a green screen, and enhanced sound capabilities. Our district goals include both increasing student achievement through increased engagement and producing quality real-world projects that prove mastery of content and exemplify creativity, critical thinking, collaboration, and communication.

This new learning space will definitely be a place where educators can help students meet these goals.

**Parent-Teacher
Conferences**

Mark your calendars as our PTC are set for September 26th from 3:30 - 6:30 pm

**Academic Awards Program
10-15-13**

Invitation letters have been sent for the Academic Awards Program to recognize excellence during the 2012-2013 school year, which will be held on October 15th at 7 pm in the SHS Commons.

102 students who earned a 3.5 or above GPA for the year will receive medallions and be honored that night. The National Honor Society will also be inducting new members and those letters have also been sent. No RSVP is necessary.
