## Parent-Teacher Conferences

Scottsburg High School hosted Parent-Teacher Conferences last night. We were happy for the large turnout of parents and students to talk about student progress. New Tech and High Schools That Work teachers participated and there was also training provided to parents on ECHO & My Big Campus programs.

Herff Jones was also available in the Commons to provide a service to both the Freshman Class to purchase class rings and

to the Seniors for graduation services. We appreciate their willingness to come and participate in our evening activities.

The evening was planned for 3:30 - 6:30 pm, but I know several of our teachers went beyond the call of duty staying to meet with parents until 8:00 pm! We appreciate their willingness to stay and help partner with our parents.

There were some teachers that were out due to illness and left a sign up sheet for you to make contact with you at a later date.

We want to give a shout out and a BIG THANKS for the cookies provided by the kitchen staff of SHS!

## HSTW Visit

SHS Math Department has been working on improving our Math ECA scores for Algebra I. Mr. Matt

McGlothlin has had a tremendous ECA passing rate over the past several years. This past summer SCSD2 asked Mr. McGlothlin to do Professional Development in his non traditional method of teaching

Mathematics. He was also asked to present at the National HSTW Conference in New Orleans.

September 12th saw us hosting Willow Springs High School from Missouri to come for follow up training with both Mr. McGlothlin and Mr. DePriest. We appreciate the efforts of our Math Department in helping not only our students, but students everywhere in improving! SHS is proud of our teachers and their efforts!
