## *SHS Connection to ISSMA Leadership!*

### *Mark Middleton SHS Class of '81*

SHS is proud of the many alumni that are leaders in their chosen professions. We are proud to announce that Mark Middleton a 1981 graduate of Scottsburg High School and a leader in the Band of Warriors while here at SHS has been chosen as the 2012-13 President of the Indiana State Music Association.

Mark graduated from Ball State University and led the Music Departments at both Paoli and now at New Castle, Indiana.

We are also thrilled to announce that our own Tim Johnston has been selected as the 2012-13 President Elect. Mr. Johnston has been a tremendous leader of the Band of Warriors and our entire Music Department. Mr. Johnston graduated from Ball State University as well. He and Mark were friends during college and remain close today.

SHS and the Band of Warriors are proud of both Mr. Middleton and our leader, Mr. Johnston as they lead ISSMA and all of its activities over the next two years!

## **REGIONAL COLLEGE FAIR**

Hanover College will be hosting a regional college fair on Thursday, September 27 from 6:00-7:30 in the Collier Arena Horner Center. Over 50 colleges will have representatives in attendance. This would be a great opportunity for Junior and Senior students and their parents to meet with the representatives to ask questions about academic programs, admission requirements and learn more about collegiate opportunities!

## **SENIOR NEWS**

Guidance counselors have been busy this week presenting helpful tips to our Senior students. Students were provided materials that detailed a timeline to utilize when considering the college application and financial aid process. They were also reminded of the importance of updating their resumes and assuring that demographic/contact information is correct in Harmony. Many materials and announcements are made via email updates so please list one email address that is checked regularly. The Senior pamphlet that was distributed and current scholarship listing are available by checking the Scottsburg High School web site. Counselors will begin Senior conferences next week where each student is met with individually to review their high school transcript, discuss graduation requirements and discern future plans. If parents want to participate in the conferences or have any questions, please contact the Guidance office.

## Junior Class Car Wash

The JUNIOR class will be having a car wash and bake sale on September 21 and 22. ALL

JUNIORS should sign up

in the Media Center ASAP for a time slot to wash cars and a baked good to bring to the sale. This is a very important fund raiser for Prom 2013.

It is already September and the class officers are working hard to plan the best Prom possible for you! The amount of money we have to spend on the Prom is dependent on the monies raised during this year.

## After School Tutoring and Internet Access

## Scottsburg High Virtual School

Last week the SCSD2 School Board took a stand to provide another option to the students of Scott County. In a unanimous vote they added the option of a virtual education for the residents of Scott County. Parents will sometimes keep their children home for health or religious reasons.

This would provide our home school population another option for their child. Curriculum is being created and taught by SHS faculty, such as a Biblical Literature course by Mrs. Slaton. Other courses not yet created by our staff will be supplemented through a vendor.

Interested parties should contact SHS Guidance for an appointment!
