## Graduation at SHS!

SHS Graduation is Friday, June 8th. Students must have all credits and be in good standing with the district, in other words all lunch accounts, library books and uniforms turned into SHS. Students must be in the proper attire and participate in the morning practice at 9:00 am the day of graduation.

We will also have the annual Senior Picnic at the Soccer Field after practice. We hope that you will take this opportunity to spend time together as a class for the last time.

Thanks to our class officers and sponsors for planning this activity.

## Summer Credit Recovery

SHS will be offering two sessions of Credit Recovery this summer. The class will begin June 11th and run for three weeks. We will then have a break for Independence Day and a short summer recess resuming again July 16th for another three weeks.

This year we will also have teachers here a few days a week to offer tutoring for students that may struggle. The class will run from 8:00 - Noon Monday through Friday in the main building. Please contact Guidance for more information!

## *New Adventures*

The SHS family is losing two great teachers as they move on to new positions!

Beth Boesche-Taylor has been selected to work for the

National New Tech Network as a school coach. She will be helping other communities in beginning their own New Tech School.

Mrs. Danielle Walker is leaving our Ag Program to work for her alma mater Purdue University at their extension office in Washington County. Good luck to both of these outstanding educators!

## *SAT Testing @ SHS*

SHS will host the College Board SAT test on Saturday, June 2. The doors will open at 7:45 am and the test starts promptly at 8:00. Signs will direct you to the appropriate testing room.

Students are reminded to get a good night's rest, eat breakfast, and bring snacks for their break time.

Best of luck to everyone taking the exam!

## 2011-2012 Honor Book

Scottsburg High School Student Council was recently named Honor Council for the 23rd year. In order to achieve this, the council had to follow guidelines set by the state and show proof of each service activity.

This year, the honor book covered a variety of activities from working school registration and planning homecoming to running class elections and planning several fundraisers for local charities. The students worked to document each of these in a scrapbook, which was then turned into the state council for evaluation.

This has become a tradition of the council at Scottsburg High School and the students are greatly honored to receive this award again.
