

SHS News Break

April 10, 2012

SHS's first newsletter for the 2011-12 School Year!

This is the first issue of the new SHS Newsletter to keep parents and community members informed of the activities and events at Scottsburg High School.

Students of the Month

This year we reinstated the practice of choosing a

student of the month from each class. The students are nominated by their teachers and submitted to administration the reasons why the student was selected. The kids receive a sweatshirt or a blanket and a pizza provided by the school.

The students of the month was re-instituted after the request of the student advisory group that meets with the administration each month.

This month were 9th Grade - Rebecca Gabbard, 10th Grade - Megan Kraft, 11th Grade - Hayley Love and 12th Grade - Chris Wilder. Congratulations to all of our student winners!

Courses - New and Old

Brewed Awakenings aka The Coffee Shop began as a real world work experience in opening and running a business. Next year it will have a new name that better reflects the nature of the course as it has developed over the years. It will be called Business Management as the

shop enters its fourth year. It was under the name Entrepreneurship which implies the creation of a new business.

2012-13 will bring more classes to SHS. We will be adding several new courses that include both HSTW & NT! We will be adding a Junior year to NT that will feature an AP Class for US History along with the other required courses for the Junior year.

AP Biology & AP Physics are being added as a Senior level course that will be campus wide for all students regardless of programs. This is an effort for students to earn a college science credit while at SHS.

Intro. to EMT is a dual credit course being offered next year in partnership with Vincennes University. Students can earn college credit while working towards EMT Certification.

Spring Sports begin...

Spring Sports have begun at SHS actually starting over Spring Break! SHS Track, Baseball and Golf have all had strong starts. Warriorette Softball has made improvements and we hope to see that equal some wins in up

coming games.

Here is the schedule for the next few days:

[Sat 4/14 11:00AM B JV Baseball @ N Harrison HS \(DH\)](#)

SHS aids Henryville High School!

SHS Student Council and other student groups helped welcome Henryville High to Scottsburg last week. SHS students are pictured below:

SHS Students raised over 600 dollars for HHS and over 200 books for its new library!

SCSD2 is doing all it can to help Henryville with use of our facilities and helping prepare meals for their students.

HHS is holding classes at the Mid-America Science Park until its campus is repaired.

Congrats to Jerrell Taylor for winning this year's Lilly Scholarship!

Jerrell plans on attending Wabash College in the Fall and majoring in Education.

Jerrell is active in Student Council, Athletics and his church.
